Dear Students,

The American Legion Auxiliary, Unit #25 of St. Maries, Idaho, would like to offer you the opportunity to apply for a \$500 scholarship, given by our Unit.

The Auxiliary honors veterans and one of our core values is to demonstrate and pass on respect for our country and our nation's flag. We promote educational programs through contests and scholarships in local school systems.

This scholarship is open to both male and female students that hope to continue their education, either through a university or vocational training.

We are asking you to respond to a question and give us information on your community service, school service, work experience and grades.

Please complete the information and return to your school guidance counselor by May 15, 2022.

Our unit members will then review the applications and select one recipient. The monies will be awarded the second semester of the school year.

We hope you will consider applying for our scholarship. Thank you very much.

Sincerely,
Jeanne Johnson, President
